

Sparkle Cowl

Materials: 1 ball Kid-Paillettes (135yds kid mohair/silk), US 10 16" circular needles, waste yarn, crochet hook, stitch marker, darning needle.

Cowl: Using provisional crochet cast on and waste yarn, cast on 69 stitches. Knit 1 row. Join into round being careful not to twist. Work k1, p1 seed stitch for 4 rounds. Continue knitting all rounds until work measures 11" from cast on. Work k1, p1 seed stitch for 4 rounds. Work Picot Bind off as follows: [CO 2 stitches using Knitted Cast On; k2tog through back of loop, k1 through back of loop, pass first stitch worked over second stitch as if binding off, BO 2 stitches, slip stitch from right needle back to left needle] until all stitches have been bound off. When you reach the end of the round, pick up a stitch from the beginning of the round to complete the final [BO 2]; this will prevent a gap from forming at the end of the round. Remove provisional cast on placing live stitches on the needle as you go. Work Picot Bind Off. Work in ends.
